TRANSFORMING ORDINARY EVENTS INTO UNFORGETTABLE EXPERIENCES

HUMOR, ENERGY, IMPACT.

Elevate Your Event with Christine Cashen

WHERE LAUGHTER MEETS LEARNING!

Christine Cashen is a powerhouse speaker, author, and cancer survivor who's been entertaining and motivating audiences for over two decades. Her unmatched talent for finding humor in everyday situations and turning them into magical moments has earned her a well-deserved reputation as one of the best in the business.

Christine is not just a funny lady - she was inducted into an elite group of speakers who have met the rigorous criteria of the National Speakers Association, CPAE Speaker Hall of Fame.

She holds a bachelor's degree in communication and a master's degree in Adult Education. In 2016, she was awarded an honorary doctorate from Central Michigan University. She's a mother of two, wife of a "hottie engineer," and a true inspiration to anyone looking to live their best life.

CLIENT LOVE NOTES...

Our attendees couldn't stop talking about your hilarious speech, calling it PHENOMENAL, very MOTIVATING, and GREAT. Rarely have I seen so many people laughing and smiling on a Monday!

~Executive Director,
American Payroll Association

Christine's energy and presentation were EXCELLENT. She is like watching a great movie...time passes quickly and you are sorry to see it end!

~Human Resources,
Frito-Lay

You have to be one of the most dynamic and passionate speakers we have ever seen. We had over 1,000 participants RAVING about you. You were titled, "the bomb" because you blew every one away!

~Training Director, The University
of Texas - Medical Branch

Christine engages her audience and keeps them captivated the whole time while incorporating humor with relatable life experiences. I would 100% recommend her to anyone looking to ignite a spark of motivation and encouragement in their life.

~President,
TACRAO

This is the best presenter rating for a keynoter I've ever seen. I honestly believe that the strong overall ratings the conference is getting are due in large part to your keynote leaving people in such a good mood. Thanks for doing a great job and for helping us to look good! It was a pleasure working with you.

~Charles G., Southwest
Showcase OMA AVP
